Chapter 15A-08 - Land Uses in the Commercial, Office, Industrial, Mixed Use, Transit Corridor, and Research and Development Districts

15A-08-01 Purpose and Applicability

- A. **Purpose.** The commercial districts land use standards are intended to:
1. Allow a mixture of complimentary land uses that may include retail, offices, commercial services, civic uses, and housing to create economic and social vitality, and to encourage the linking of trips; and
 2. Develop commercial areas that encourage walking as an alternative to driving and provide employment and housing options.
- B. **Applicability.** Uses permitted under this Chapter shall conform to the development standards provided elsewhere in this Code, and to the application procedures for development as applicable. Uses shall also conform to any overlay district requirements that are applicable. Uses permitted as a conditional use shall comply with the requirements for Conditional Use Permits.

15A-08-02 Permitted Land Use Matrix by the Commercial, Office, Industrial, Mixed Use, Transit Corridor, and Research and Development Districts

- A. **Matrix Explanation.** The matrix below lists all permitted uses within Sandy City commercial, office, industrial, mixed use, transit corridor, and research and development districts. The letters "P", "C", "S", or "N" shall mean "Permitted", "Conditional", "Special Use", or "Not Permitted" respectively. Refer To Special Use Standards within this Title for all land uses allowed with an "S". For those letters which are followed by a slash "/", the second letter shall indicate those location restrictions for businesses located within 250 feet of a residential district (unless bisected by a major arterial road as determined by the Sandy City Transportation Engineer in the Transportation Element of the Sandy City General Plan).

For those land uses marked with a superscript number (¹), refer to sub-section C following the table for explanation.
